Make a Will that makes a difference

All money raised through our Make a Will Fortnight goes towards helping us to care for and support people living with a terminal illness, in West Surrey and part of North East Hampshire.

With only 20% of our costs covered by the NHS/Government, we need to raise over £20,000 each and every day to provide our vital services, which we provide free of charge to over 250 patients, carers and relatives every day.

Phyllis Tuckwell Memorial Hospice Ltd, Registered Number 1063033. Registered Charity Number 264501.
Your Will made by a local solicitor, in exchange for a donation.

Have you been thinking... ‘I really need to make my Will’?

Making a Will is one of the most important things you can do, ensuring your wishes are known and your money and possessions go to those you want to receive them. Yet many of us simply never get around to doing it.

Even if you already have a Will, it is important to keep it updated, so if you have recently married or divorced, become a parent or grandparent, lost a spouse or relative, retired or moved house, now is the time to update your Will.

We can help! During Make a Will Fortnight you can receive a professional consultation and a new or updated Will from a local solicitor, in return for a donation to Phyllis Tuckwell Hospice Care.

How Make a Will Fortnight works

1. During Make a Will Fortnight, a local solicitor will write a basic Will for you, or update an existing one, in return for a donation to Phyllis Tuckwell Hospice Care.

2. You can get in touch directly with the solicitor of your choice from the list provided and arrange an appointment for the period between 11th-24th September. The number of available appointments is limited - so please contact your chosen solicitor as soon as possible to secure your place.

3. At the initial meeting, you explain what you want by telling the solicitor what assets you have, and who you want to benefit. The solicitor will tell you if it can be done as a ‘basic’ Will. If what you want requires specialist advice, the solicitor will tell you what can be included under the scheme and give you a separate price for the remaining work. All solicitors reserve the right to charge you a fee if your Will is not basic.

4. The solicitor will tell you how much the firm would normally have charged for preparing the Will. You will be given a Phyllis Tuckwell donation form to complete and asked to make a donation that reflects the time and effort that the solicitor has given. We would like to suggest a minimum donation of £200 for a basic Will and £300 for mirror Wills.

5. There is no obligation to include a gift to Phyllis Tuckwell Hospice Care in your Will. The solicitors will however be able to advise you about the tax effectiveness of gifts in Wills and we hope, if it’s possible for you to do so, you may consider supporting us in this way.
